## Skills

- JavaScript, jQuery
- Html, CSS, Bootstrap, Sass

## Languages

- Georgian (Native)
- English (Advance)
- German (Advance)

## Other information

During the university period, I was working on a "start-up" business program (creating skateboards & longboards and selling them). I was twice in Germany working for the "Deutsche Post"(2018,2019 Student program in the summer). Just a little of time, I was working in a sales-oriented company, position: "the German-speaking commercial agent."
